scientists!

PACIFIC FLYWAY SHOREBIRD SURVEY WINTER 2017

NOVEMBER 15TH – DECEMBER 15TH, 2017

Join others, like you, who are contributing to the conservation of
shorebirds along North Coast Estuaries

What you'll Need:

- ❖ Passion for shorebirds and shorebird conservation
- ❖ Binoculars and scope
- ❖ Reliable transportation
- ❖ Willingness to follow a protocol and contribute data
- Novice can always be paired with experienced surveyors

Dates for each location are selected for best tide

Where: Columbia River Estuary and/or
Willapa Bay and/or Grays Harbor

Time needed: 2 days

Training: Watch PFSS Video on line

Scouting: 1 day to learn your area

Survey: 1 day between Nov 15 - Dec 15
