Reminders About Your Membership:

- If you are a National Audubon Society member, you do not need a separate BHAS Chapter membership: your chapter membership is included in your NAS membership.
- If you wonder when your membership is up for renewal, check the label on your ECHO. Above your name, you should see a number such as 201809. This means your membership expires in September 2018. National Audubon members should renew through
- NAS which often offers special promotional rates.
- BHAS gives you a grace period of 6 months after your renewal date. You will receive the ECHO and other mailings in this period.
- BHAS only sends renewal notices to those who are 'chapter only' members.
- If you and your spouse or partner reside in the same household, you do not need two individual memberships for either NAS or BHAS.
