Cell: A18

Comment: 3rd most counted species. Tied with American Robin

Cell: A20

Comment: Second most counted species

Cell: A90

Comment: Rare bird seen on Florida St

Cell: A102

Comment: Really rare bird. Only 2nd or 3rd county record seen on Lucas Creek

Cell: A123

Comment: Most counted of any species

Cell: A127

Comment: 4300% increase over last year the second highest increase

Cell: A142

Comment: Rare bird. Seen on Halliday Rd

Cell: A155

Comment: 7000% increase over last year. The highest of any species
